Pre-Ordering Checklist

|  |                |
|--|----------------|
| <b>Site Access for Delivery Vehicles</b>   |                |
| Are there any parking restrictions?  | Yes No         |
| Will panels fit through entrance?  | Yes No         |
| Are there any sharp corners, stairways, or basements   | Yes No         |
| If yes, will panels fit?   | Yes No         |
| <b>Site Information</b>  |                |
| Is the floor dry, flat, and level?   | Yes No         |
| Is concrete trowel finish & not tampered?  | Yes No         |
| Is electrical supply single or 3 phase?  | Single 3 Phase |
| Is there an adequate Power Supply to accommodate unit/motor?   | Yes No         |
| Is power supply to within 1 metre of the coldroom?   | Yes No         |
| Is there a drain within 2 metres of the coldroom?  | Yes No         |
| Is the coldroom inside or outside?   | Inside Outside |
| If inside, does the ambient exceed 35°   | Yes No         |
| If inside, is there adequate ventilation for unit/motor to breathe?  | Yes No         |
| If inside, is the height of building ceiling 200mm or more above the height of coldroom? (if condensing unit is to be mounted on top of the cold room, adequate clearance will be required for this) | Yes No         |
| It is recommended that condensing units are installed outside if a coldroom is not in a well ventilated cool area.   |                |
| If outside, will coldroom be under a weather proof roof?   | Yes No         |
| If split remote unit/motor is required, will it be located to within 5 metres of coldroom evaporator location?   | Yes No         |
| If separation is greater than 5 metres, specify estimated pipe run   | m              |
| <b>Room Specification</b>  |                |
| Is there enough space to allow coldroom door to open?<br>(Width, height – check floor level outside door)  | Yes No         |
| <b>Any Other Information</b>   |                |
|  |                |

**Note: Someone authorised must be on site on installation day to sign Coldkit's installers completion form. If the completion form is not signed, any request for return to site will not be honoured by Coldkit.**
