

Our automated and flexible wireless monitoring system makes alarms, data storage and reporting easy. Either single PC or Network enabled so multiple users can access the system from different offices or locations. New sensors or departments can be easily added due to scalable design. Popular in the laboratory, medical, food processing, and cold distribution sectors, System5 was also designed to aid compliance with 21 CFR pharmaceutical legislation.

Name	Part Number	Description	GBP	Euro
External Probes & Accessories – special lengths and styles to order				
External temperature probe	S5-T	(-80°C to +140°C) external 55mm steel probe for ScoutPlus with 1.5m standard cable	£69	€97
External temperature probe - length XX metres	S5-T-XX	(-80°C to +140°C) external 55mm steel probe for ScoutPlus with up to 10m cable. Please specify length	£5.60 per additional metre	
New! External PT100 temp probe (low range)	S5-PT100L	(-200°C to +250°C) external class A PT100 175mm x 6mm probe with 1.5m standard cable	£189	€265
New! External PT100 temp probe (high range)	S5-PT100H	(-60°C to +450°C) external class A PT100 175mm x 6mm probe with 1.5m standard cable	£189	€265
Pipe temperature sensor	S5-T-PIPE	(-80C to +140C) special probe for Scout Plus to measure temperature of hot or cold water pipe	£97	€136
Humidity sensor	S5-HUM	Humidity Sensor	£129	€181
External Sensor Adaptor 4-20mA	S5-EXT	4-20mA adapter to connect to any sensor with 4-20mA output (e.g. gas, pressure, flow, pH)	£100	€140
Industrial door open detector	S5-D-IND	Industrial door events sensor for large/industrial doors	£100	€140
New! Light duty door open detector	S5-D	Light-weight door events sensor for domestic or small doors/fridges	£90	€126
External Strobe Alarm Unit*	S5-STROBE	External strobe for more visual alarms. Connects to Base unit via BMS card. Variety of colours available.	£150	€210
Echo (Repeater) Units				
Echo	ECHO	Radio repeater unit to extend range	£275	€385
Echo EU	ECHO-EU	Radio repeater unit fitted with EU (2pin) plug	£275	€385
Echo COMPACT	ECHO-C	Compact Echo - supports transport monitoring systems	£153	€214
Echo COMPACT EU	ECHO-C-EU	Compact Echo - supports transport monitoring systems with EU (2pin) plug	£168	€235
Warning Labels		'Do not switch off' warning labels for positioning next to Base and Echo x 50	£10	€16
Software and Licenses				
PC with software installed	S5-PC	Desk top PC computer with System5 software installed and configured - set up ready to go	POA	POA
Single PC software	S5-COMPACT	Single PC Software (FOC with Base or Mini System)	£50	€70
Multi user software 5 users	S5-NETWORK	Network PC software - 5 users / networked	£500	€700
Multi user – 5 additional users	S5-NETWORK-ADD5	Additional 5 users for easy system expansion	£300	€420
Extra Secure software - 5 users	S5-XSECUR	21CFR Compliance software, 5 users / networked	£1,900	€2,660
Extra Secure - 5 additional users	S5-XSECUR-ADD5	Additional 5 users for easy system expansion	£900	€1,260
System validation document	S5-VALIDATION	Documentation and questionnaire to enable user to validate installed System5	£900	€1,260
Annual software upgrade Compact	S5-UPGRADE-COMPACT	Annual software upgrade to latest version	£50	€70
Annual software upgrade Network	S5-UPGRADE-NETWORK	Annual software upgrade to latest version	£125	€175
Annual software upgrade Extra Secure	S5-UPGRADE-XSECURE	Annual software upgrade to latest version	£475	€665
New! IceSpy AnyWhere Tariff	ANYWHERE-TARIFF	Managed service for IceSpy Anywhere. Includes hosting, SIM and system configuration	See tariff sheet
