

# G2G-Care

COMPLIES WITH:  
BS/EN 1276 BACTERICIDE  
BS/EN 1650 FUNGICIDE

## Ready Mixed - Evaporator Coil Cleaner and Disinfectant

### G2G-CARE

G2G-Care (Good To Go) is a ready mixed evaporator coil cleaner and disinfectant that effectively removes soils and dirt from indoor coils to restore system performance and efficiency. The disinfectant in G2G-Care is approved to BS/EN 1276 as a bactericidal against MRSA, Legionella, pneumophila, Pseudomonas aeruginosa, Escherichia coli and Escherichia hirae. It is also approved to BS/EN1650 as a fungicide against Aspergillus, Niger and Candida. Protects coils and drain trays for up to six months.

- **Powerful and effective disinfectant**
- **Evaporator coil cleaner**
- **No rinse formula**
- **Protects coils for upto 6 months**
- **Safe for condensate pumps**

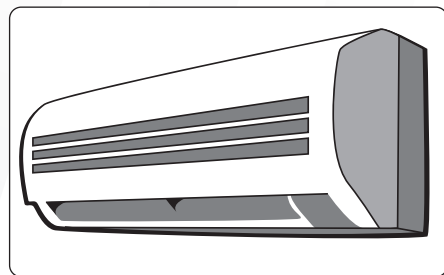

**INSTRUCTIONS:** Wear eye and skin protection when applying product to avoid irritation. Turn off unit before cleaning. Spray on G2G-Care liberally to coil surface. Allow 5-10 minutes for solution to react and dissolve contaminants. Product is self-rinsing.

**DOEDORISING:** Apply a light spray into the air or onto air conditioner filters to remove odours.

**Irritant**

**CAUTION :** Irritating to skin and eyes. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. After contact with skin, wash immediately with plenty of soap and water. Wear suitable protective clothing, gloves and eye / face protection. Keep out of the reach of children. Avoid contact with skin and eyes. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. In case of accident or if you feel unwell, seek medical advice immediately (show the label where possible). This material and its container must be disposed of as hazardous waste.

Material Safety Data Sheet available for professional user on request.
